

## 5518 Canalino Drive Carpinteria, California

Coastal Living in a  
Charming Custom Home

Offered at \$1,699,000.

Enjoy relaxed coastal living in this charming 3 bedroom, 2.5 bath home in a favorite neighborhood. The Ocean is just a short stroll away. Features include: Board and batten wainscoting, attractive hardwood floors, and convenient kitchen with granite counters. The home is situated on a 1/4 + acre parcel with lush gardens. The large open patio, sheltered by a beautiful Chinese Elm, is a perfect spot to enjoy outdoor entertaining. Two of the three bedrooms have French doors that lead to the garden. There are many fruit trees including: Avocado, apple, fig, and persimmon. A beautiful home in a great location!
